

MOWREY
ELEVATOR

Mowrey Elevator Company Inc.

was established in 1976 and has grown to become a leading elevator provider across the Southeast US as well as Latin America and the Caribbean. Since that time we have designed, manufactured and installed more than 10,000 elevators for condominiums, hotels, schools and universities. Founder Tim Mowrey, Sr., is an elevator consultant and member of the Florida Elevator Association, instrumental

in writing and adopting the elevator codes for the State of Florida. Today, Mowrey Elevator remains a family-owned company with over 100 employees committed to customer excellence across 19 service center locations. We specialize in the installation, service and maintenance of both commercial and residential elevators, including passenger, freight, hydraulic, dumb waiters, wheelchair lifts, stair lifts and traction elevators.
